

R. Wayne Russell, P.E., PTOE, Vice President

EXPERIENCE

Mr. Russell is currently a principal and Vice President with the firm of Traffic Engineering Consultants, Inc. (TEC) He has been a traffic engineer with the firm since February 1996. He has been involved in transportation/traffic engineering since 1985 and has experience in traffic impact studies as well as the design of construction plans for traffic signals, street lighting, construction traffic control, signing and striping.

He spent 10 years with the Traffic Engineering Division of the Oklahoma Department of Transportation. His responsibilities included the supervision of all in-house design projects, checking consultant plans, monitoring the status of all in-house and consultant design projects, writing specifications and special provisions, and conducting engineering studies. He was directly responsible for the design of traffic signal, highway lighting, construction traffic control, signing and striping plans. Other responsibilities included approving shop drawings and material brochures, representing the Traffic Engineering Division at plan-in-hand meetings, final inspections and various other meetings with local municipalities, state and federal personnel, as well as evaluating new materials and procedures to be used in design projects.

EDUCATION

B.S., Civil Engineering, University of Nebraska, 1985

CONTINUING EDUCATION

Georgia Tech

Traffic Signal Operations at Local Intersections, 1989

Traffic Signal Operations in Coordinated Systems, 1995

Northwestern University

Traffic and Transportation Engineering Seminar, 1989

Identification and Treatment of High Hazard Locations, 1992

PROFESSIONAL LICENSE

Oklahoma P.E. 16030 July 1990

Arkansas P.E. 10300 Aug 2000

Texas P.E. 88215 May 2001

PROFESSIONAL CERTIFICATION

Professional Traffic Operations Engineer (PTOE) #428 August 2000

PROFESSIONAL AFFILIATIONS:

Oklahoma Traffic Engineering Association, Past President

Institute of Transportation Engineers, Member

Missouri Valley Section, Institute of Transportation Engineers, Member
